“ Many years ago, I remember thinking what a great "Mom" Paulene must be! I was friends with Scheryl growing up, and always enjoyed time with that family. Years later, we became reacquainted while both of us were living in Imperial. She was a beautiful lady and continued to be that same caring person that I had known when I was younger.

My sympathy to you, her loved ones, as you adjust to the void she has left. But enjoy her legacy and sweet memories of this dear lady.
